Enjoy your stay at Canada

But if an unexpected medical emergency should happen, know that you're protected with Visitors to Canada travel insurance.

Why buy Visitors to Canada travel insurance?

When visiting Canada, your country of origin's health care plans might not travel with you. We know that health care costs in Canada can be expensive if you're not covered under a Canadian government health insurance plan.

Travel insurance from the experts at Stonewell helps you stay protected during a medical emergency. Be sure to carry travel insurance to safeguard your finances and enjoy a worry-free trip.

- Allows you to visit your country of origin and resume your coverage when you return to Canada without having to reapply for a new policy
