Travel Insurance for Canadians

tripwell

wherever you go

Why buy travel insurance?

If an unexpected medical emergency should happen while travelling outside your home province, territory or country, getting a necessary treatment can cost thousands of dollars. Your government healthcare plans have limits on how much they'll cover, and this can leave you with a significant amount of expenses to pay.

Tripwell Commitment

Our Emergency Hospital & Medical travel insurance helps you by:

Catch the stomach flu from tasting local exotic foods

Helping you pay your medical bills at the facility of your treatment

Need to be taken to the hospital quickly for treatment

Facilitating an ambulance transportation to hospitals

Only know how to say "yes" and "no" in the local language

24/7 access to multi-lingual emergency assistance

Need accommodations for your travelling companion during your treatment

Covering unexpected out-of-pocket expenses

Want to continue your trip after your emergency

Travel arrangements to get you back on track

Ideal for:

- Travelers covered under a Canadian government health insurance plan
- Canadians up to age 89 travelling for business or pleasure
